Tax Agents Manual

CCH and the Taxation Institute of Australia have created the *Tax Agents Manual* with respected tax expert and author John Gaal as part of our commitment to the advancement and support of the tax profession in Australia.

The aim of the *Tax Agents Manual* and the bonus *Tax Agent Compliance Toolkit* is to provide Tax Agents with a user-friendly and practical resource that will become part of your daily operations. The book contains clear, practical, step-by-step directions to the Tax Agent Services Act 2009; explains how it will affect your practice and how to navigate the new regulations.

Key features of the Tax Agents Manual include:

- case studies, working examples, traps to avoid and tips for a smooth transition
- detailed analysis combined with at-a-glance practical guidance on every aspect of the regime and
- key legislation and commentary.

The accompanying *Tax Agent Compliance Toolkit* on CD-Rom features essential resources for all Tax Agents – a comprehensive guide to writing letters of engagement that cover all compliance obligations with the new regime.
