

## Professional Development

### Seminars and Conventions

Student Members can access the Taxation Institute's education events at significantly discounted rates that previously have only been available to full Members. Some events are suitable to the level of learning that students require.

The Taxation Institute hosts an extensive program of over 340 events annually. All professional development events are delivered by experts in their field.

Specific young tax professional events (Young Tax Practitioner or YTP events) are presented across Australia providing networking and career opportunities with potential future colleagues and employers.

**Contact your local state office to discover what is available in your area.**

### Opinion leader

The Taxation Institute is dedicated to advocating improvements in tax law and administration and has a proud reputation as an independent opinion leader in tax.

### Networking

By attending events at reduced Member rates or **sometimes even for free**, you will be able to network with fellow students, prospective employers and future colleagues. Networking is a very important part of sharing tax knowledge and gaining a better understanding of how tax issues are managed across the profession.

### Tax Careers @ [www.taxinstitute.com.au](http://www.taxinstitute.com.au)

Hosted by the Taxation Institute of Australia and open to all Members and tax professionals Australia-wide, this service aims to unite employers who are seeking suitably experienced tax staff and job seekers who are looking for a new job or career advancement in tax.

Whether you're just starting your job search or have been actively seeking new employment, use Tax Careers to search for jobs that fit your career goals and qualifications. New jobs are posted daily on Tax Careers.

### Structured Education Program

## Foundation Tax – Increase confidence, productivity and career opportunities

Developed and delivered by practitioners, Foundation Tax provides candidates the opportunity to learn and retain key principles and processes required to be successful in the taxation profession. The course is the perfect link between your studies and the workplace and is recognised by Tax Agents Boards in VIC, QLD, WA, SA, NT and TAS.

Modules focus on developing skills required to complete common tax compliance tasks:

- Applying relevant tax legislation
- Completing PAYG and BAS statements
- Understanding tax consequences of business structures
- Calculating FBT, CGT and GST.

This time saving course is the only one of its kind which focuses on applying skills learnt for immediate workplace application.
