# One or many – Our flexible subscription options

## An individual subscription – MemberPLUS

MemberPLUS is an annual subscription for individuals, suitable for sole practitioners or a tax specialist working in a small firm.

A MemberPLUS subscription can be taken up at any time during the year and does not have to be linked to membership of the Taxation Institute of Australia.

### How to subscribe

Visit our website to sign up online or fill out and send us the form attached to this brochure.

## A corporate subscription – GroupPLUS

GroupPLUS is an annual subscription for a group, suitable for larger organisations with more than one tax specialist.

GroupPLUS provides significant ‘per user’ savings over individual subscriptions and provides your entire team with the fantastic tax resources available on the Taxation Institute website.

GroupPLUS subscribers are recognised via IP authentication. Users will only have to register once on their first visit and will then be remembered on subsequent visits.

IP authentication provides a simple way to manage your group’s access to the website and allows anyone from within your network to login and gain the subscription access.

**Pricing for a GroupPLUS subscription depends on the number of users in your group.**

# The Taxation Institute website

## Your essential resource

### Comprehensive knowledge-base

The Taxation Institute website is a comprehensive and easy to use online knowledge-base developed specifically for tax practitioners and Taxation Institute Members. Designed with your research needs in mind, this online knowledge-base is your first stop for the latest in tax commentary, journal articles written by leading practitioners and daily tax news. Updated daily, we help you navigate through the ever changing tax landscape by offering you the best and most relevant in tax. Subscribe as an individual or a group and take advantage of this exceptional tax resource.

### A website subscription will provide you with unlimited access to:

- Taxation Institute seminar and convention papers and presentations;
- *Taxation in Australia* journal article archives;
- *The Tax Specialist* journal article archives;
- *Australian Tax Forum* journal article archives;
- Regular podcasts;
- Taxation Institute submissions on tax policy, administration and technical matters at both Federal and State levels; and
- Tax news and daily updates written by the Taxation Institute's tax experts.

All of this can be retrieved using a simple but powerful Google-like search.

### Written by tax professionals for tax professionals

All of the content covered by the Taxation Institute website subscription has been written by well respected tax practitioners and specialists.

As practicing tax professionals their papers and articles provide a unique perspective on tax policy, administration and technical matters.

### Current topics

A website subscription gives you unlimited access to a number of popular and current topics such as:

- SMSF
- Tax Agents Services Regime
- FBT
- GST
- Trusts
- TOFA
- Consolidation.

# Huge knowledge-base available Over 55,000 records

A website subscription provides access to the full text versions of all the Taxation Institute's papers, presentations, journal articles and submissions back to 1996. Earlier content can be obtained from our library for a small fee.

## Content added daily

Subscribers to the Taxation Institute website receive the Tax Institute Web Update – a fortnightly email newsletter highlighting the latest additions to the website.

Taxation Institute Web Update is presented in an easy to read format with new additions categorised by topic. This allows you to quickly focus on new content related to your topics of interest.

## Get to know your essential online tax resource

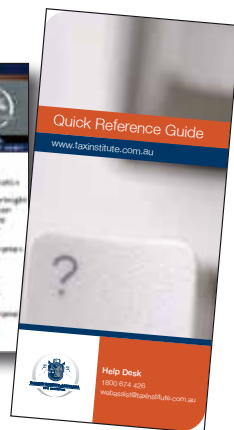

Subscribers can request training with staff from the Taxation Institute to learn how to best use the website as a business and research resource. The session will focus on:

- Logging in;
- Site navigation;
- Types of content covered by your subscription; and
- Using the advanced search features to research effectively.

Contact us on [webassist@taxinstitute.com.au](mailto:webassist@taxinstitute.com.au) for website training

“Tax Institute Web Update is my first pick of email communication when devoting time to technical reading.”

Ian Judson FTIA, Grant Thornton
