TRUSTS & ESTATES: TAXATION AND PRACTICE

The foremost tax and *trusts* practice text for
the Australian legal and accounting professions

Written by Bernard Marks

Available as a book or online subscription

TRUSTS & ESTATES: TAXATION AND PRACTICE

The foremost tax and *trusts* practice text for the Australian legal and accounting professions, providing a practical understanding of complex tax matters

Trusts & Estates: Taxation and Practice is the pre-eminent source for immediate, current and authoritative answers to trusts and estates issues.

An excellent blend of theoretical principles and practical insights, this text is organised around the lifecycle of trusts and estates on a transactional basis. With a logical structure and comprehensive coverage, it identifies the potential dangers and opportunities in any transaction affecting trusts, estates, trust creators and beneficiaries.

Key features and benefits:

- answers questions arising in practice and alerts you to issues often not considered when giving advice
- covers issues such as trust mergers, takeovers and demergers, trusts and income derivation, family trusts and distribution tax
- provides an explanation and reference source on both federal tax law and trusts
- outlines the equity and trust law context in which the tax law operates, setting out the relevant equity and trust rules for each tax issue.

Annual online subscription service includes:

- 12 months of access to a regularly updated online version of the book
- regular notification of updates via an email alert
- cross-references and links to legislation to facilitate quick navigation of the text and provide access to the underlying legislation.
